

The below correspondence was sent as an email (26th June 2021)

Dear Parents/Carers,

Please be advised that the School Holiday Program will still be operating over the next 2 weeks.

With the changes in restrictions we unfortunately will not be able to access the community as previously planned. We will be arranging alternative activities each day at the centre and a list of these changes will be sent Monday morning.

I can advise that Monday 28/6/21 outing to inflatable world will be replaced with a jumping castle at the site.

All staff will be wearing masks while supporting participants, if your child would like to wear a mask they are welcome to bring one along. MDS is also able to provide participants with a mask if they wish.

We do ask, that if your child is feeling unwell, or has been to a known hotspot to please keep them home from program.

If your child is no longer attending the program please advise me as soon as possible.

Regards

Amanda Leighton
Regional Manager
